Members encouraged to suggest alternative runs which may be suitable.

A sub committee is to be established to come up with a new club singlet. The members of the committee are Richard Lang, Wayne Stewart, Rod Draper, Maree Moss, Glenys Rosser, Pam Fullgrave with Sharon Fahy as the leader of the committee.

Code of Conduct

Discussion around the need for a code of conduct or protocol for all members to be aware of which would cover health and safety requirements as well as responsibilities of members to sign on time, clean up after themselves and courtesy towards other runners on the track.
